## CALIPER COMPETENCY LIBRARY Financial Leader

Financial Leaders are responsible for managing and influencing a company's financial strategy. Financial Leaders also oversee investment decisions and engage in risk management to ensure the current and future fiscal health of the company. They also perform financial planning and future forecasting, as well as ensure company compliance with various financial regulations and principles and tax laws.

#### **Example positions**

Chief Financial Officer (CFO), VP of Finance

### COMPETENCIES

**Strategic Thinking -** Financial Leaders develop and help drive a shared understanding of a long-term vision that describes how the organization needs to operate now and in the future.

**Leadership Communication -** They generate a shared commitment to the organization, building morale and encouraging ownership of mission, goals, and values.

Business Acumen - They make sound business decisions based on a strong understanding of the company's business model, strategic goals, and relevant policies, as well as best practices and current technologies in their own discipline or functional area.

**Deliberative Decision Making -** They gather, consider, and evaluate all relevant information to make logical conclusions before being moved to action.

**Planning and Priority Setting -** They identify priorities and develop detailed action plans that include objectives, accountabilities, time frames, standards, review stages, and contingencies.

Adaptability - Financial Leaders are able and willing to shift course when external influences affect an initial plan, condition, or situation. They are willing to change their own ideas or perceptions on the basis of new information or evidence and they are able to alter standard procedures when necessary and juggle multiple demands as required.

**Fact-based Management -** They view the organization as an open system, synthesize information from diverse sources, come to conclusions, and make decisions that are rational and based on sound evidence.

**Compliance -** Financial Leaders work to ensure that they, team members, other employees, contractors, strategic partners, and other relevant stakeholders act in accordance with all pertinent rules, regulations, policies, and best practices.
